

Ashfield Council  
Fees and Charges 2015-2016

## Fees and Charges

Council reviews its fees and charges annually. Council has increased its fee and charges by 6.0% except where fees and charges are statutory.

The Council through its ordinary rates will continue to provide information and services that are available to all residents without extra cost.

Council's Pricing Policy is based on the following 8 Pricing Principles.

- A** No price charged for this product or service. All associated costs met from general income.
- B** The price for this product/service makes a small contribution towards the total cost of providing the service, rather than full cost recovery, recognizing the community benefit it provides.
- C** The price for this product/service makes a significant contribution towards the total cost of providing the service, rather than full cost recovery, recognising the community benefit it provides.
- D** The price for this product/service is based on full cost recovery.
- E** Price of this product/service generates cost recovery and an appropriate return.
- F** Price of this product/service is set by reference to market prices.
- G** Price charged for this goods/service is set by regulation or other legal agreement, beyond the control of Council.
- H** Price charged is refundable deposit against possible damage to infrastructure, footpaths, kerb, gutters and roadways, buildings, parks and reserves caused by adjacent development or use of facilities.

### Fees and Charges 2015 - 2016

| TITLE OF FEE/CHARGE  | Pricing Principle | GST Taxable (Y/N) | 2015-2016 GST Inclusive Fee                    |
|--|-------------------|-------------------|--|
| Section 603 (as set under Section 603 (2) of the Local Government Act, 1993) *   | G                 | N                 | 75.00  |
| Section 603 Expedition Fee   | E                 | N                 | 72.45  |
| Admin charge on refund of 603 Certificate  | C                 | N                 | 42.60  |

| Traffic control costs may be applicable depending on the location and scope of works and are subject to confirmation at time of pricing.   |                   |                   |                             |

### Fees and Charges 2015 - 2016

| TITLE OF FEE/CHARGE   | Pricing Principle | GST Taxable (Y/N) | 2015-2016 GST Inclusive Fee |
|---|-------------------|-------------------|-----------------------------|
| <b>4) Quantity Based Rates</b><br>The above quantity based rates apply to individual openings/restorations. Multiple openings/restorations within the same proximity will be grouped together at the discretion of Council's Restoration Officer.   |                   |                   |                             |
| 5) Measurement of Restored Areas  |                   |                   |                             |
| <b>6) Unsatisfactory Temporary Restoration</b><br>Council reserves the right to rectify any unsatisfactory road pavement/temporary restoration works if not rectified within 48 hrs of Council's notification. Such works will be charged at cost recovery basis.                                   |                   |                   |                             |
| <b>7) Reusing Existing Pavers - Sustainability Incentive</b><br>Where pavers are salvagable and are in a good and reusable condition, a deduction of \$80/m2 will apply to the paving restoration rate for the salvaged quantity, subject to prior arrangement with Council's Restorations Officer. |                   |                   |                             |
| <b>8) Asset Integrity Charge</b><br>An assets integrity charge is applicable to all restoration works (other than those associated with a vehicle crossover permit) carried out by persons or public utilities to cover the cost of damage to and accelerated failure of                            |                   |                   |                             |
| <b>Vehicluar Crossings and Associated Works</b>   |                   |                   |                             |
| <i>The rates given below are applicable for the construction of vehicular crossings and associated works undertaken by Council. The permit fees listed in the section above are applicable in addition to these rates. All of the rates below have a minum charge of 1 m2 / 1 lin.m</i>             |                   |                   |                             |
| Establishment Fee   | D                 | Y                 | 152.00                      |
